## **Wolftank-Adisa Holding AG decides on capital increase**

*The capital increase serves the further growth, the investment in the cooperation with partners for the realization of the future order intake and the strengthening of the equity capital.*

Innsbruck, 07.12.2022 - The Executive Board of Wolftank-Adisa Holding AG has decided, subject to the approval of the Supervisory Board, on 07.12.2022 to increase the share capital of the company from currently EUR 4,380,934.-- by up to EUR 438,093.-- to up to EUR 4,819,027.- - by issuing up to 438. 093 new no-par value bearer shares, with a proportionate amount of the share capital per share of EUR 1.00 and dividend entitlement as of the current financial year 2022, at the issue price of EUR 14.01 per share (corresponds to the volume-weighted average over 60 trading days at the end of trading on the record date of December 5, 2022), by partially utilizing the authorized capital resolved by the Annual General Meeting on June 10, 2022 (the "Annual General Meeting"), against cash contributions. The shareholders' subscription rights to the new shares to be issued are excluded in accordance with the resolution of the Annual General Meeting (direct exclusion).

The new shares to be issued are to be placed in a private placement with selected, qualified and long-term oriented institutional and/or large non-institutional investors. The exact extent (volume) of the capital increase will be determined by the Executive Board after completion of the placement, whereby the Executive Board reserves the right to terminate the placement at any time. The capital increase serves to strengthen the equity base and to finance current or planned projects of the Company. The current increased number of inquiries in the field of refueling systems for renewable energies and environmental remediation of the existing European refueling infrastructure requires an accelerated positioning in key markets such as Germany. This is to be supported by strategic partnerships or participations.
