Michael Mair am Tinkhof becomes Vice President DACH of the Wolftank Group

Wolftank Group AG (ISIN: AT0000A25NJ6), a leading provider of environmental remediation and refueling solutions for renewable energies, is strengthening its regional leadership structure with Michael Mair am Tinkhof (48) as the new Vice President for the DACH region.

The South Tyrol native brings in many years of leadership experience in both the industrial and energy sectors, particularly in strategic procurement, product management, and sales. He has held various positions at the Würth Group in Italy and at GKN Driveline. Most recently, at GKN Hydrogen, Michael Mair am Tinkhof played a key role in the development of innovative hydrogen-based energy storage systems and in establishing an independent business unit.

With his expertise, he will further strengthen Wolftank Group's market position in the DACH region and support the continuous expansion of the Group's role in the field of emission-free mobility and sustainable infrastructure solutions.
