Wolftank-Adisa Holding AG Announces Consolidated Group Figures 2018 and Confirms 2019 Outlook

Following the earlier publication of its preliminary figures in March of this year, Wolftank-Adisa Holding AG announces the publication of its consolidated and audited group figures for the financial year 2018:

In the past financial year, Group total output amounted to Euro 45.8 million, Group Revenue to Euro 44.5 million (preliminary: 41.85 million), EBITDA to Euro 3.16 million (preliminary: 2.79 million) and EBIT to Euro 1.71 million (preliminary: 1.55 million).

The annual report will be available from the website of Wolftank-Adisa Holding AG under <https://www.wolftank-adisa.com/investor-relations> .

"Due to the good business development and order intake for the current year 2019, we are still very confident to achieve our group sales forecast of Euro 45 million, Euro 4.4 million of EBITDA and Euro 2.9 million of EBIT, which we published in March this year," says CEO Dr. Peter Werth.

About Wolftank-Adisa Holding AG:

Wolftank-Adisa Holding AG is the parent corporation of an international group of companies focusing on environmental protection services for contaminated soils and facilities, remediation and monitoring of (large-scale) tank farms, as well as full-service engineering services for LNG- and petrol stations. The company is active worldwide and uses various patented application technologies with the aid of high-tech epoxy resins developed in-house.

Wolftank-Adisa Holding AG (ISIN: AT0000A25NJ6; WKN: A2PBHR) is trading on the Munich Stock Exchange and is also listed on the Vienna Stock Exchange in the direct market plus segment.
