Corporate News of Wolftank-Adisa Holding AG

Wolftank-Adisa Holding AG acquires Sometec Aqua

As part of its internationalisation strategy, Wolftank-Adisa Holding AG is happy to announce another complementary acquisition in the environmental consulting sector.

Sometec Aqua, a company with a track record and experience of more than 15 years in the contaminated soil and water remediation business, has joined Wolftank's group of companies through its Spanish subsidiary Altereco.

"Sometec Aqua complements an area, which has been determined as one of the key growth segments for us, adding state of the art soil-decontamination and -remediation expertise to the group" said Gustavo Mezquita, Altereco's CEO.

Francisco Sánchez, CEO of Sometec Aqua, is also very pleased with the integration of his company into Altereco and Wolftank-Adisa Holding AG: *"This is an important step forward for us, as, thanks to Wolftank's international presence, we will be contributing further expertise, research and development capacities to the organization and help to grow this operation above average"*.

Dr. Peter Werth, CEO of Wolftank-Adisa Holding AG, confirms the company's intention to continue focusing on green technology and environmental protection with further corporate activities in the future.

About Wolftank-Adisa Holding AG:

Wolftank-Adisa Holding AG is the parent company of an international group of companies focusing on environmental protection services for polluted soil and water, remediation and monitoring of (large) tank facilities, as well as full-service engineering services for (LNG-) tank facilities.

The company is active worldwide and has various patented application technologies at its disposal with the aid of high-tech epoxy resins, developed in-house.

The shares of Wolftank-Adisa Holding AG (WKN: A2PBHR; ISIN: AT0000A25NJ6) are listed on the Frankfurt and Munich stock exchanges, in the direct market plus segment of the Vienna Stock Exchange AG and on Xetra.
