

# LOGISTIC CONTAINER

**WOLFTANK**  
GROUP

## EFFICIENT AND ECOLOGICALLY SUSTAINABLE HYDROGEN TRANSPORT

### CERTIFIED

According to TPED  
(transportable pressure  
equipment).

### EFFICIENT

Hydrogen supply especially for  
short and medium distances.

### INNOVATIVE

Energy and time saving filling  
and emptying processes.

**A HEAVY DUTY  
VEHICLE CAN  
TRANSPORT  
1 CONTAINER**

# LOGISTIC CONTAINER 20 FEET

## 300bar and 320kg H<sub>2</sub>

Storage media	Type I vessels
Volume	15272L (approx. 320kg H <sub>2</sub> )
Sections	max. 6
Pressure	300 bar
Weight	approx. 26,000kg
Temperature	-20/+65°C
Certifications	TPED, ADR and ISO 10961.2020
Cycles	approx. 12,000 cycles (30-450 bar) according to ISO 9809-1: 2019
